

Radbudo Material Loan Terms

These terms apply whenever a (honorary) member, trial class participant, those with friend or fighter status with the association, guest, or any other person borrows materials from Radbudo. Failure to comply with these terms may result in being blacklisted from future loans, costs, and any other sections described in these terms.

1. Borrowing materials

Radbudo may lend materials such as boxing/mma gloves, shinguards, head protection, handwraps, gi pants, gi tops, belts, and/or other training equipment. Each loan must be registered through the Radbudo loan form or another method approved in writing by the board.

The borrower must provide accurate contact details and must register the correct item number of each borrowed item.

A loan is always personal, a borrower may not loan out loaned materials to anyone.

A borrowed item may not be borrowed again by the same person within fourteen days of them having returned it. The board may make an exception to this upon a written request from the borrower. The board withholds the right to refuse the lending of a similar item to the previously borrowed item within the same 14 day period.

2. Return deadline

Borrowed materials must be returned within fourteen days of borrowing. Recognised Dutch public holidays do not count towards this period. Days that the sportscentre is closed also do not count towards this period. The borrower is responsible for a return within this period, regardless of personal circumstance.

If no Radbudo training or event takes place before the return deadline, the borrower must return the materials at the first next Radbudo training or event, or timely arrange another return moment or method with the board through email.

You remain liable for the item until a clean & damage free return has been established by either the board or a trainer. Having a third party return your loaned items for you is at your own risk.

3. Permitted use

Borrowed materials may only be used during Radbudo trainings and events.

Use of the loaned materials outside Radbudo trainings or events is not allowed unless the borrower has received written permission from the board in advance.

The borrower may not lend, rent, sell, give away, alter, mark, or deliberately damage the borrowed materials. The borrower may not make any (monetary or other) income off the items.

Not adhering to these regulations may result in monetary charges, or in exceptional and extreme cases of abuse only, with a unanimous vote from the board, a cancellation of membership without restitution of contribution.

4. Cleaning and hygiene

The borrower must treat borrowed materials hygienically and completely follow Radbudo's cleaning and care instructions. If the borrower does not fully comply with these instructions, a damage or a cleaning fee may be added in an amount up to the replacement cost of the item, as decided by the board.

Materials must be returned clean, dry, complete, and in reasonable condition. Materials may not be returned wet, mouldy, dirty, smelly, or otherwise unhygienic. Denial of the return due to improper conditions does not result in an extension of the loan period.

Boxing gloves must always be worn with undergloves or handwraps. These are not listed in the materials list in Appendix A, as they are hard to distinguish, however pairs may be borrowed from Radbudo, and for each pair a replacement value of €5 holds and the cleaning instructions apply.

5. Damage, loss, and liability

The borrower is responsible for the borrowed materials from the moment they receive them until Radbudo has confirmed their clean and damage free return.

The borrower is liable for loss, theft, avoidable damage, abnormal wear, missing parts, or damage caused by use outside the permitted purpose.

Normal wear from careful use during Radbudo trainings and activities is not charged.

If an item is lost, not returned, returned unusable, returned incomplete, or returned with avoidable damage, Radbudo may charge the borrower for the repair costs, a cleaning fee, or replacement value of the item. The applicable replacement values are listed in Radbudo's loanable material list, also added as an appendix (A).

6. Late return and invoices

If materials are not returned on time, Radbudo may contact the borrower and request immediate return.

If the reminder goes unanswered for seven days and the item is not returned within those same seven days, Radbudo may send an invoice for the replacement value of the borrowed materials and any applicable cleaning, repair, administrative, or collection costs.

If the borrower returns the materials after an invoice has been sent, Radbudo's board may decide whether to cancel, reduce, or maintain the invoice, depending on the condition of the item, the (replacement) costs already incurred, the final return date and the responsiveness of the borrower.

7. Agreement

By submitting the Radbudo material loan form, ticking the agreement checkbox, and/or otherwise accepting these terms, the borrower confirms that they have read, understood, and agreed to these Material Loan Terms.

Appendix A: Radbudo's loanable material list

1. Boxing & MMA gloves

Nr.	Photo	Description
		Replacement value
